XTEK Receives Defence Order for $1.9m for SUAS Support

Thursday, 9 September 2021

XTEK Limited (ASX: XTE, 'XTEK') is pleased to announce that it has received a Purchase Order from Commonwealth of Australia's Department of Defence, to the value of US$1.39m (A$1.9m) for spare parts to support the ongoing operations of Small Unmanned Aerial Systems (SUAS) used by Defence under the Land 129-4A Support Contract.

Key highlights:

- **Defence Purchase Order is valued at $A1.9m**
- **The items to be delivered and recognised as revenue in mid-Q3 FY2022**

Scott Basham, CEO of XTEK Limited, said, "This follow on order for almost A$2m of SUAS spare parts to XTEK from the Commonwealth, is part of the ongoing Support Contract we have with Defence for the Land 129 Phase 4A project. XTEK is the prime Systems Integrator for this project, and we have been supporting Defence for the last 5 years, providing high-end technical maintenance, support, and repairs to the SUAS fleet, as well as other important Defence equipment fleets such as EOD robots. These spare parts, which will be held in our state-of-the-art SUAS repair facility in Canberra, will be used to keep important operational UAV capabilities in the air for Defence."

This announcement has been authorised by the XTEK Limited Board of Directors
